SAFETY SCREEN OF 7.2M

TENTEN, AFSCHERMINGEN EN SPRINGKUSSENS

Colour: red
Quick to deploy

DESCRIPTION
A quick and easy to set up screen as a shield in case of an accident. The screen consists of four panels and can stand on its own or be extra fixed with the supplied herring and guy rope set.
A major advantage is that all available personnel can be deployed optimally in the event of an incident. Keeping blankets up to keep out the press and viewers is a thing of the past!

Printing possible.
