

MAG. CHARGER LED 680 LUMENS + 12V/24V/220V LADER

A black flashlight is shown lying horizontally. To its left is a black rectangular charging dock with a coiled cable ending in a standard two-prong electrical plug. To the right of the flashlight is a black car charger with a coiled cable ending in a car cigarette lighter plug. The flashlight has a silver-colored lens and a red button on its side.
