LIFE JACKET BESTO 300N RED

REDDINGSVESTEN

High buoyancy
Automatic inflation due to CO2 pattern
Integrated safety harness

DESCRIPTION

Red automatic inflatable lifejacket from the brand Besto. Suitable for all waters, all weather conditions, even when wearing heavy waterproof clothing. The lifejacket rotates the body so that the airways are free of water. Safe in case of unconsciousness.
The vest has a good fit due to its soft exterior and special neckline. When the jacket is inflated you get a good neck/head support. The waistband closes by means of a strong and easily adjustable stainless steel closure. If the vest is inflated, a signal whistle and reflective strips appear automatically. When the Besto 300N comes into contact with water, it inflates automatically within 5 seconds. For extra safety, there is also a hand control.

TECHNICAL SPECIFICATIONS

- Provides protection in: open water, extreme conditions, waterproof clothing
- Buoyancy: 300N
- Carrier weight: 40+ kg
- Chest size: 55 - 150 cm
- Type: Fully automatic + Manual + Mouth-blowing
